

## Available Information from STI HomePlus

After you have logged into the Student/Parent portal, you will notice that there are several links down the left side of the screen

**Schedule** – Shows a copy of your child’s schedule for the current grading period.

**School Calendar** – Shows the school calendar for the current month. The current date will be gray in color. Days with no school will be marked as such. School events are not listed on this calendar.

**Demographics** – Shows the personal information of your child. Information not filled out will be blank and social security numbers are omitted.

**Discipline** – Shows all disciplinary actions taken and the reasons for the current school year. If you check the “Include History?” box in the upper left corner, all disciplinary records will be shown.

**Attendance** – Shows a complete record of all absences.

**Daily Absences** are dates the student was absent all day. When reading the chart, you will see the date twice. “T” is the type of absence -All day or Half day. “Abs” is the code for the description/reason listed for the absence. “Description “ is the reason for the absence. The “C” column indicates whether the absence was excused or unexcused.

**Period Absences** - show the date the student may have been absent for one or more periods but not the entire day and is set up much the same as the Daily Absences with one exception. This chart tells you which period(s) and class(es) your child might have missed. The “T” column indicates whether they were tardy or out of the class. The “Abs” column, again, is the code that is assigned to the description. The description tells why the student was out. The “C” column tells whether the absence or tardy was excused or unexcused.

**Check In/Out** – This chart shows when your child was checked out of school for an appointment and when they checked back in. It also states the period(s) when the checkout/in occurred the “I & O” indicate “in and/or out” and the description/reason for the checkout. The last column indicates whether the check in/out was excused or unexcused.

**GRADES:** The grades link will shows course number, course title, teacher’s name and grades from all grading periods with grades posted. The first grade column indicates a percentage. The 2<sup>nd</sup> and 4<sup>th</sup> grading periods will show a letter grade for the semester. An “X” in the exam column indicates that a final exam was not required.

**REQUESTS:** This area, when used will show the requests your student has made for courses during the next school year. The student may also use this section to create or change requests.

**GRADUATION REQUIRMENTS:** This page gives a summary of graduation requirements and your student's current GPA and credits earned.

**TEST SCORES:** Test scores indicate the scores on achievement tests and the SAT/ACT.

**GRADEBOOK STATUS:** Indicates the class, average and letter grades, and missing grades.

**STATISTICS (CUMULATIVE):** Shows cumulative grade point average, graduation credits, absences, tardies, counselor, homeroom and homeroom teacher. The homeroom and homeroom teacher are only used because they are required by the student management software and are not actual homeroom assignments.

**MAIN BODY OF THE PAGE:**

If you have clicked on the schedule link and have a copy of your student's schedule showing, you will notice several tabs at the bottom.

**HOMEWORK:** May or may not be used by the teacher. If used, it will include homework assigned by the class.

**LESSON PLAN:** May or may not be used by the teacher

**GRADEBOOK:** The grade book tab shows the date the grade was taken, the category of the grade, the description of the work or test graded, the value of the assignment or test, the weight assigned to the grade, and the score given.

**CATEGORIES:** This is the category of the work such as test, participation, or homework. It also includes the weight or total worth of the category toward the grade, the total possible points, and the average earned.

**ATTENDANCE:** The attendance will show your student's attendance for that class.
